

GROWTH AND DEMAND OCCUPATIONS

"Although this list represents the area's "Growth and Demand" occupations, it does not breakdown the "training" requirements of each occupation. This information can be found in the Directory of Occupational Titles. Many of the occupations listed below DO NOT REQUIRE significant training or may require only on-the-job training. Some occupations may require pre-hire letters. Due to the economy, some of these occupations require detailed proof of the demand in the area in which the customer lives or plans to commute. Please consult the Georgia Mountains Workforce Development (GMWD) office regarding your training needs. Additional occupations will be added as determined by of the Georgia Mountains Workforce Investment Board.
